

To complement our **PAL** Lighting Range we have just introduced the New **LAL** Colour Lock LED Array Lamp.

This outstanding Lamp provides six (6) Fixed Colours and two (2) Colour effects and can be fitted into all New and existing **PAL** Underwater Pool Lighting, Sheer Descent and Landscaping lighting product.

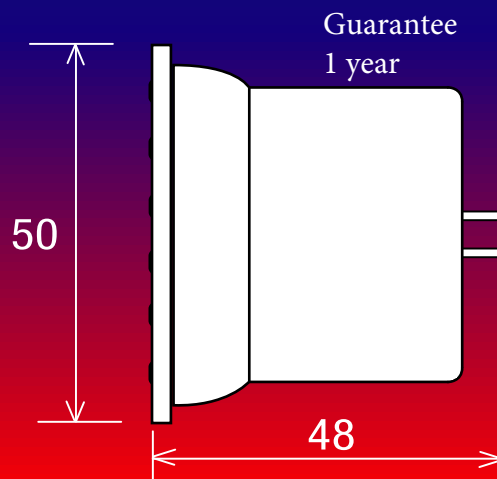

Now with just the simple "flick" of the light switch you can change the colour effect of your lighting feature.

The **LAL** Lamp can be fixed into 6 colours, White, Blue, Green, Red, Amber and Purple and also 2 digital colour effects, Colour Change and Disco.

As the **LAL** Lamp requires no external controller it can also enable a simple upgrade on many existing 12V A/C lighting products.

FEATURES

- Ultra bright LED Technology.
- Long Life, up to 100,000 hours.
- Low power, low heat.
- Low Cost
- No moving parts.
- Unlimited number of lights can be synchronised to colour change in unison.

MODE SELECTION

To advance to the next colour mode just turn the light switch OFF then ON within 1.5 seconds on each colour advance until you select the required colour mode. If you require to select a new colour after the light mode is set just switch off the light switch again to advance to the next colour mode.
